To whom it may concern,

We are pleased to recommend Absolut Travel to any other business looking to forge a strong and reliable relationship with them. We have been using their services since 2002, and have always received the most efficient and friendly service.

The nature of our business requires mostly last-minute requests, and after hours attention and we have always received just that in a friendly and calm manner.

We use Absolut for all our personal and business travel, finding them competitive.

Our work takes us to North America, Africa, Europe and Indian Ocean Islands and Absolut always do their homework, are quick to help with visa applications, insurance, transport or accommodation needs.

Please do not hesitate to contact me if you require anything further, for as they say in Afrikaans: 'Hulle is uit die boonste rakke' – 'they're Out of the Top draw'!
