To whom it may concern,

This serves to confirm that XL Absolut Travel is our nominated travel agents and have been since 2002.

XL Absolut Travel has demonstrated superior quality, creativity and uncompromising customer satisfaction in fulfilling Soma Initiative's travel requirements over the past 10 years. XL Absolut Travel has managed Soma Initiative's requirements against world class travel agent standards. The resultant effect has been passed onto Soma Initiative in respect of both lower prices and appropriate lead-times.

They have also looked after our personal travel requirements meeting all our varied expectations and requests.

As Soma Initiative continues to grow, so does XL Absolut Travel continue to meet our expectations of complex travel bookings and competitive prices in a climate of reducing lead-times.

Yours sincerely,
