

● **Good Morning everyone,**

Effective immediately SA Express has grounded all flights. Please can we ask all those who have been booked on SA Express by ourselves to contact us urgently regarding alternate flight arrangements.

● **IMPORTANT: SA Express Temporarily Suspends Operations**

SA Express confirms that the South African Civil Aviation Authority (SACAA) has suspended the airline's Air Operator's Certificate (AOC) as well as the certification for an Approved Maintenance Organisation (AMO).

The SACAA finding relates, amongst others, to the safety management processes within the airline. Passengers will be accommodated and further information will be available on their website: www.flyexpress.aero and social media platforms which include @flysaexpress and www.facebook.com/flysaexpress

Passengers in need of assistance can also contact 011 978 2355/5096/6384 from 6am to 11pm SA Express Airways, SA Express News

● **TRAVEL ALERT: SARS Custom Clamp Down**

SARS has put out a statement, please can you refer to the link below

[READ SARS FULL STATEMENT HERE](#)

Please take a look at the attached relevant information pertaining to international travel with your personal items:

The South African Revenue Service (SARS) says there has been recent confusion about customs requirements for travellers when it comes to personal valuables - with no traveller required to declare personal effects when leaving or returning to the country.
